

Santa's Special Gift

— Author Unknown

Santa's got a special gift
He's bringing just for you.
Just a little something extra,
And it comes from Rudolph, too!

He knows that you've been naughty
Instead of being nice.
Again you're on the bad list,
And he's checked it over twice.

Santa hopes this little poem
Doesn't throw you for a loop.
All you're getting this year
is a bunch of reindeer poop!
